INKBOLT REEL 6
ESCAPES

Here again?
Blot.
Hah.

What good's creating a scene going to do for you, now?
Still
You really did mess me up.

Where'd you learn to stand up for yourself, little buddy?
Toma...
Not easy pulling this trick out on ya.
You really are a pain, Blot.

TURN ME BACK!

Turn you. . . what?

Toma! What did you. . . What the hell did you do to me?!

Aha, you're Evan! I didn't think the kiss would ACTUALLY do that!

No no no, this is NOT funny! I'm a frog, Toma. NOT a human! Turn me back, now.

I dunno, you look like a human to me. What did YOU do? YOU turn back! How would I cause this, man?

You kissed me! You filled my head with all those thoughts of that fairy tale!

I thought about being a human. . . in that moment. . . I just thought. . .

Turn me back!

HOW?

This is incredible!
Ceci est incroyable! I had heard such tales of powerful magics. But to see it with mine own eyes!

Glisser! Oh my god I'm so sorry.

This has to be a mistake! Toma's power must have infected me somehow!

Non, you are the one mistaken, my friend. Magics that can turn a frog into a human? It must be the most powerful of magics, that is the magics of LOVE. You must feel it!

All our time together and I feel great shame not realizing there was more to my Evan!

But you are not MY Evan, are you? Fate has shown its coy hand today! Comme ç'est excitant!
How exciting!

Pity that on such a magnifique discovery, we are beset by a whole new problem for you!

You see,
Tu vois, humans on their property is bad for their business, oui?

Toma! This is your cue to transform!

Queue what? Oh, I think I can't focus right now. . .

Hah!

I'm a human too, haha!

My dear, don't be afraid!
Mon cher, n'ayez pas peur! For we have been through tougher together, and my wish for you to find yourself remains unphased. I will protect you, au péril de ma vie.
at the risk of my life.
